# THE MOST TRUSTED BLADE IN THE FIELD FOR 20 YEARS

At Havalon, every knife we design has a purpose. It's not about having the biggest selection—it's about having the best tools for the job. We craft each knife with precision, engineering them to meet the demands of serious outdoorsmen who need reliability above all else.

Our story started over 20 years ago with the introduction of the Piranta line, born from decades of experience in the medical industry. By incorporating surgical-grade blades, we transformed field dressing into a faster, cleaner, and more efficient process. Since then, we've continued to tackle the challenges hunters and outdoor professionals face, building solutions that stand the test of time.

We don't just make knives,  
we make Havalon Knives.

PIRANTA

# THE ORIGINAL PIRANTA KNIVES THAT STARTED IT ALL

## PIRANTA- ORIGINAL

The original Havalon knife and still the top choice of guides and taxidermists. Nearly indestructible bead-blasted stainless steel handle. Open length is 6-3/4". Includes 13 total 60A® blades, a nylon holster, and a blade remover.

**XTC-60AKNP**

## PIRANTA- BOLT

A vibrantly colored ABS plastic handle makes the Bolt easy to find no matter where you set it down. Open length is 7-3/8". Includes 13 total 60A® blades, a nylon holster, and a blade remover.

BLAZE ORANGE  
**XTC-60ABOLT**

SHOCK GREEN  
**XTC-60ABOLT-GX**

## PIRANTA- STAG

Wet, dry, or dirty, the curves on the Stag always provide a firm grip. Open length is 7-3/8". Includes seven total 60A® blades, a nylon holster, and a blade remover.

BLAZE ORANGE  
**XTC-60ASTAG-O**

## THE NEW DUO

New for 2025, the DUO is the ultimate paring of hunting blades. The DUO features power, finesse, strength, precision, and all with the world-class sharpness you expect from a Havalon knife. The DUO is equipped with our trademark 60A® blades and Piranta fitment on one end and a cryo-hardened stainless steel drop point blade on the other. No matter the size of the animal, the DUO is the tool for the job.

### Includes:

Piranta Fitment With 7 Total 60A® Blades  
Permanent Stainless Steel Drop Point Blade  
Premium Zipper Holster  
Blade Remover

**XTC-DUO**

### PIRANTA- EDGE

This iconic knife has been the gold standard for 15 years. Military grade polymer in blaze orange. Open length is 7-1/4". Includes 13 total 60A® blades, a nylon holster, and a blade remover.

**XTC-60AEDGE**

### PIRANTA- Z

Same design as our top selling EDGE featured in an all-black military grade polymer. Open length is 7-1/4". Includes 13 total 60A® blades, a nylon holster, and a blade remover.

**XTC-60AZ**

### PIRANTA- ECHO

Strong, light and easy to clean, the ECHO comes with a convenient holster designed to hold the handle, six included extra 60A® blades and a blade remover.

**XTC-ECHO**

## BLADE REMOVER

The Havalon Blade Remover has made changing the blade on your Havalon Piranta easier than ever before. Just snap it around the blade, press, and pull! Includes six Blade Removers.

**BRC-4P**

## PIRANTA BLADES

**60A®**

Our number one selling blade. Comes with every Piranta knife. 20% thicker and 30% stronger than the original 60XT blade to reduce breakage. Stainless steel. Length 2-3/4".

**60XT**

Our original "extra thick" surgical-edge blade. Stainless steel. Length 2-3/4".

**70A**

The same thickness as our 60A® with a blunt tip to prevent any accidental damage while caping. Stainless steel. Length 2-3/4".

**GH**

The sharpness of a Havalon now on a Gut Hook. Makes gutting easier than ever before. Stainless Steel. Length 2-5/8".

**22XT**

The carbon steel 22XT features a blunt tip to prevent poking holes in your work. Length 2-1/8".

**22**

Popular with taxidermists for caping and very fine cutwork. Stainless steel. Length 2-1/8".

**SB**

The Evolve Saw Blade provides unmatched sharpness on a saw. Great for work around camp. Stainless Steel. Length 2-3/4".

## FORGE

The only Havalon knife with a rubberized handle for maximum grip. ABS polymer frame with non-slip TPR rubber grip covering. Open length is 7-7/8". Includes seven total 60A® blades, a nylon holster, and a blade remover.

-  **BLACK**  
**XTC-60ARHB**
-  **BLAZE ORANGE**  
**XTC-60ARHO**

## EXP

The all black design and Tanto style blade of the EXP is tactically inspired, but what sets this knife apart from other EDC and tactical knives is the addition of the Havalon Quik-Change fitment. The 4-1/2" military grade polymer handle is ideal for hunting or everyday use. The EXP pack includes 13 total 60A® blades and a blade remover, and a nylon holster.

**XTC-EXP**

## EVOLVE

The Havalon Evolve was designed with one thing in mind; create a more efficient hunting experience. No longer will hunters have to go into the woods with a pack full of tools (screwdrivers, sharpeners, gut hooks, and knives).

The Evolve features just the tools a hunter needs in the woods; a knife (Havalon Piranta Quik-Change fitment), replaceable saw, fixed gut hook, pliers/wire cutters/strippers, and a universal bit driver. The 4-1/2" stainless steel Evolve handle also comes with a flathead/Phillips reversible bit and room to store two more 1/4" bits of any variety.

### BLACK/BLAZE ORANGE

Includes six 60A®, two saw blades, a blade remover, blade holder, and a Havalon Zip Holster.

**XTC-60AMT1**

### SHOCKEY SIGNATURE SERIES.

Includes six 60A®, two saw blades, a blade remover, blade holder, and a Shockey Signature Zip Holster.

**XTC-60AMTS**

JIM SHOCKEY  
SIGNATURE EDITION

## TITAN

A knife built for Jim Shockey has to be able to do it all – and it does. The Titan features Havalon's revolutionary Quik-Change blade system on one end and a Cryo hardened AUS8 blade on the other. This combination gives you the unmatched sharpness of a Havalon blade and the strength of a traditional fixed blade all in one tool. The Titan's military-grade polymer handle's open length is 7-3/4" with 60A® blade. Pack includes seven 60A® blades, six 70A blades, a blade remover, and a zip holster.

### ----- INTERCHANGEABLE BARACUTA BLADES -----

**127**

Micro-honed stainless steel blade for filleting fish and deboning game. Length 5".

**115**

Stainless steel skinning and deboning blade is micro-honed to be surgically sharp. Length 4-3/8"

**115SW**

Stainless steel saw blade provides the best combination of durability and sharpness to cut through the bone and brush. Length 4-3/8".

REDI  
FOR  
ANYTHING.

## HAVALON REDI

It took over three years of R&D to create the first Havalon EDC. The REDI features the all new REDI-Lock replaceable blade system, which lets you easily swap between styles of semi-permanent AUS-8 steel blades. Unlike the original Piranta line, REDI blades are designed for extended use and abuse, and can even be re-sharpened. Each REDI comes with two drop point blades (one with partial serration), a blade holder for extra blade storage, and a T5 Torx bit so you can reposition the pocket clip. The innovation doesn't stop there, as the REDI is also the first Havalon to have spring assist for smooth, one hand opening.

Includes:

Two drop point blades (One with partial serration)

Blade Holder

T5 Torx bit to adjust pocket clip

# HAVALON TALON

## FEATURING QUIK-CHANGE II INTERCHANGEABLE CUTLERY SYSTEM

The Talon is the first replaceable blade knife to feature the Quik-Change II Interchangeable Cutlery System. Quik-Change II is an internal locking mechanism which allows users to seamlessly change blades without losing any cutting area. Its adaptable design allows it to fit any style of blade big or small with the press of a button. The 5-1/4" military grade polymer Talon handle also features a removable back panel for easy clean up after filleting or processing, and it comes with a rugged roll-pack to store a variety of blade styles and sizes.

**TALON FISH SET**  
Includes Two 7" Fillet blades, one 5" Fillet blade and one Serrated blade.

**XTC-TF**

**TALON HUNT SET**  
Includes one 5" Fillet blade, one Serrated blade, and two Gut Hook blades.

**XTC-TH**
